Abu Dhabi, UAE August 14 2011: ICLDC's Play for Life Ramadan Football Tournament, part of 'Diabetes-Knowledge-Action', the nationwide public health awareness campaign under the patronage of Her Highness Sheikha Fatima bint Mubarak, kicked off in the capital last night, with the Tournament's Presenting Sponsor Mubadala A marked as the highest scoring team of the opening round. They beat Masdar 5-3 but were closely contended by YASHAT, who netted 4 goals against UPC (4-2).

His Highness Sheikh Tahnoon bin Saeed bin Saif Al Nahyan played the first ball to open the event as the seven-a-side football tournament proved its popularity among Abu Dhabi corporate companies for the fourth year running. Sixteen teams of 300 players are taking part in this year's round robin format.

The teams are arranged into four groups of four teams playing matches of 15 minutes each way. A FIFA-approved co-ordinator oversees the tournament.

The first night Group winners go into the quarter finals, with the Group winners on a play off in eliminators, until two teams reach the final on Thursday.

There are three trophies waiting to be taken home – one for the tournament winner, and one each for the first and second runners up. The 60 players representing the three final teams – each team can register up to 20 men - will each receive a Play for Life medal!
